**Broad and Balanced Curriculum**

GSIS offers the IGCSE and International Baccalaureate (IB) accreditation, and the only international school in Hong Kong to offer the globally accepted German International Abitur (DIA).

**Wellbeing**

A coordinated programme is in place to support students with all aspects of their wellbeing and self-management. Within this system, they are guided on both their academic and personal development.

**University Counselling**

Our university counsellors guide our students in making choices about their future education pathway after GSIS. Their professional network and the close relationship fostered with universities around the world help our students achieve the next important step in their lives after GSIS.

**House System**

Designed to foster team & community spirit and promote positive social behaviour, all students and faculty staff are allocated to a house - **Dragon, Lion, Phoenix, and Tiger** - where a series of house competitions is organised throughout the year.

**Discovery Week**

As a major aspect of our co-curricular education programme, Discovery Week is designed to challenge students to step outside their comfort zone and explore new experiences locally and internationally. Students are given the opportunity to go on cultural trips to Germany, along with community service projects in Laos, Cambodia, Thailand and the Philippines.

**Bilingual Education for GIS**

Intensive language immersion programmes are available for students with no prior knowledge of German to integrate into the German International Stream (GIS) - Bilingual (German/English) Kindergarten, CLIPPY for Primary, and Fast Track for Secondary.

**Enrichment and Community Service for EIS**

At GSIS, extensive co-curricular activities and Creativity, Activity and Service (CAS) programmes provide students with a wide range of learning opportunities. Planning, implementing and participation are highly valued and many activities are student-led.
